

fundraising materials

For your fundraising to be even more of a success you'll need Friday Media Group Foundation posters, leaflets, logos and sponsorship forms so that everyone knows what exactly you're raising money for.

Fundraising Materials

You can download the branded Friday Media Group Foundation fundraising materials by emailing info@fridaymediagroup.org or by visiting the Friday Media Group Foundation website. Please remember to get in touch with us prior to the event so that we are all up-to-date with your progress and are able to support you as best we can so your event is as successful as can be.

Types of Fundraising Materials

Have you thought about what types of materials can you use to promote your fundraising event? We have online materials that you can download with our branding emblazoned to promote your event.

Posters Distribute posters in your office building and local community a few weeks to a month

prior to your event. Posters should be eye catching and to the point so that people can see exactly what you are doing, the reason why you're doing it, where and when. Remember to include contact details, logos and images. Dot them around communal areas to remind people of the up and coming fundraising event

Leaflets A leaflet will be more informative than a poster and will help people learn more about why you are fundraising and why their money is so important to your cause. Include all relevant information about the Friday Media Group Foundation, what and when your event is and how people can help you.
